

Insurance

(Igor Dunderovic aka Yngvar Dundervik)

Please insure me that you will stay
I'm freaking out more every day..
You watch me, your eyes don't glow
You fly so high and I crawl so low

She's getting so bored
Why is that Oh my Lord.
Is it because I am so scared
she's getting so bored
Why is that Oh' Lord.
Is this because I am afraid

Ref:

I can buy me car insurance
I can buy me house insurance
But I want to buy insurance
In case she leaving me

She don't find me interesting
But I'm good and nice and I'm nice and cute
Oh, nice and cute is never good
Good is never nice even when it's cute.

She's falling asleep
in, this relationship
Is it because I am so scared
She's falling asleep
And I'm starting to weep
Is this because I am afraid

I can buy me car insurance
I can buy me house insurance
But I want to buy insurance
In case she leaving me
