

Klingons (My Cherge, USS Enterprise)

(Igor Dunderovic aka Yngvar Dundervik, fra "Sex, drugs, kalashnikov" forestillingen)

I had a home long time ago
One day I had to leave
Since then I've travelled many roads
Now my home is up my sleeve.

My Cherge, USS Enterprise
Me too like Jan Luc Picard
I have travelled many miles
My road is long, my way is hard

REF:

**Hey Gypsies, hey Romalen
I feel like one of you
I've travelled many roads
And I will always do**

**Hey Klingons.....
They say I'm just like you
Nervous, angry, alien
I don't like it when they do**

BROX2:

*When I come they ask me where I come from
When I stay they ask me were I come from
When I'm home they ask me where I come from
So I just Gelem Lungo Drom*

You should know you cute young blonde
If what you want is home
That I've travelled many roads
I don't know where I'm from!
