

La bella bionda

(Igor Dunderovic aka Yngvar Dundervik)

Oh, this is the night
It's a beautiful night
It's a bella notte
looking left and right

lost my telephone
I'm walking alone
far away from home
Driving streets of Rome

Build up:

Yes, this is the night
It's gonna be tonight
doesn't look like If
She's gonna wait for
green light

Ref:

She on her Vespa
Me on my Honda
I fell in love with
La bella bionda

A leather danger
Like anaconda
Italiana
