

Pira Mange Pira Chavra

(Igor Dunderovic aka Yngvar Dundervik)

(Tribute to the greatest gypsy song in the world)

Chavralen Romalen
Little bit of shukarije
And then mange pira something then
Chavralen romalen

Chavralen romalen
Those two words I know
And the rest is pira something then
Chavralen romalen

Ref:’
If I keep walking I’ll end up in a fight
Tonight I could cry to a pair of jingle bells
So please a pair of trumpets play for me tonight
Don’t you chavra pira mange to somebody else

Chavralen romalen
To somebody else
They sing mange pira something then
Chavralen romalen

Chavralen romalen
Those two words I know
And the rest is pira something then
Chavralen romalen
Ref:’
If I keep walking I’ll end up in a fight
Tonight I could cry to a pair of jingle bells
So please a pair of trumpets play for me tonight
Don’t you chavra pira mange to somebody else

Chavralen romalen
