

## Turbo folk generation

(Igor Dunderovic aka Yngvar Dundervik, fra "Sex, drugs, kalashnikov" forestillingen)

When I was a boy  
Earth was a happy place  
Now the earth is shit  
In your ugly face

When I was boy the girls dressed nicely  
Stay home and clean the floors  
Now they're loose like homeless dogs  
And they dress like horse.
